

Le QUOTIDIEN

Sunday was the first day of ranking : «Valence-Valence» (roughly 364 km) with 4 regularity zones, the first one ended with the well known stop in front of «la Remise», property of Yves Jouanny, in the city of Antraigues (and his famous apple pie) ! This mythical inn was a compulsory passage for pilots and crews for more than 46 years, and now a great opportunity, due to the passage of Rallye Monte-Carlo Historique, to perpetuate a half century tradition.

For the greatest happiness of all.

**Valence, sunday night
Parc du Champ de mars**

**Nicolas Daragon, Mayor of Valence, wished warmly to thank, alongside with Christian Tornatore
Commissaire ACM and Race Director, " l'Automobile Club de Monaco" for the quality of his work in this XXI°
Rallye Monte-Carlo Historique. Along with these success will come a natural progression, as the mayoy say,
Valence could become the stage town of the 3rd edition of the eRallye Monte-Carlo in October 2018 !**

Then we have a date !
