1. OGIER / INGRASSIA

« Sorry for @thierryneuville. He was doing a great rally on fabulous speed. We got some luck, did some small mistakes. You need margin on MC. »

2. TANAK / JARVEOJA

« Really tricky. Not too happy with the car - a lot of understeer. Not so easy in the dirty places. »

3. EVANS / BARRITT

« This is some stage. The time doesn't really matter at this point in the game, but when you get this car on dry tarmac - boy-oh-boy. This is what it's all about. »

5. NEUVILLE / GILSOUL

« At the exit of a slow corner, the rear of the car went wide and hit something. »

6. SORDO / MARTI

« Power steering gone. It went in a corner - flat out in sixth - I went straight off. Very difficult to drive. »

7. MEEKE / NAGLE

« The road was far from clean. Okay, no snow, but a lot of pollution pulled out. It's good to explore the car in these more consistent conditions. »

8. LEFEBVRE / MOREAU

« Difficult. I tried to push. I stalled in a hairpin and lost 5 or 6 seconds. I tried but difficult to find the limit after just one pass of this stage. »

10. LATVALA / ANTTILA

« Quite pleased with the time but it looks like Elfyn Evans is flying. »

11. HANNINEN / LINDSTROM

« I had a puncture on the second or third corner. I drove for a while before we stopped to change it. »

12. BREEN / MARTIN

« A bit of fun. A bit of enjoyment to get back on this sort of surface. I think we can be quite pleased with the day. »

96. VILLARD / ROUHAUD

"It was really awesome and enjoyable to be able to drive on a tarmac with slicks."

63. MARTIN / DUVAL

"I made a mistake in the hairpin. I had to manoeuvre to be able to get back in right direction, it took a lot of time."

106. METIFFIOT / METIFFIOT

"It felt like a summer rally. It was very enjoyable after all the snow and ice."

105. DOLCE / AYASSE

"Probably one of the most enjoyable stages of this Monte Carlo."

89. CRETEN / JACQUEMOUD

88. VOSSEN / VAN BARSCHOT

"Beautiful stage but we only had studded tyres left, it wasn't easy."

87. SOUFFEZ / SELLIN

"We hit the rail, it was the one and only trick of the whole stage plus I had it in my notes!"

95. BOISDRON / PRETESEILLE

"I'd like to thank our gravel crew. We were able to confidently go flat out all the way through thanks to them."

"We are having a steering issue; it is quite loose. The car's behaviour is unpredictable. We were careful all along the stage."

115. MARTINI / PENGIAL

"We are still fighting with our out-of-order power-assisted steering. I hope we can fix it for tomorrow's stages."
