« Good stage for us. Car working well. Really enjoyable to drive but have to be careful. »

« I spin in one hairpin and lose six seconds. »

10. LATVALA / ANTTILA

« I'm not so surprised on this combination of snow tyres and slicks. It's quite interesting to drive on the dry Tarmac. Some snow would be good... »

12. BREEN / MARTIN

« Bone dry. I tried my best, but tight corners and uphill sections in this type of car mean I'm praying for snow from the high heavens. »
