1. OGIER / INGRASSIA

« It's a shame for [@OttTanak](#), I hope he can reach the finish and be minimum on the podium. It would be more than deserved. »

2. TANAK / JARVEOJA

« We will get to the end. »

3. EVANS / BARRITT

« We decided on the super soft tyres but in the dry ascent that meant the car was moving about a lot. »

5. NEUVILLE / GILSOUL

« I drove very carefully in this stage. Tyres were overheating a lot. »

6. SORDO / MARTI

« It was okay, but I didn't do very well. Slow at the beginning. »

8. LEFEBVRE / MOREAU

« We made a gamble with a full set of soft tyres. It was slippery after Col de Turini. »

10. LATVALA / ANTTILA

« I knew this dry stage would be hard on the tyres. I've never been so gentle on my tyres before. I tried to do everything to save them. I didn't use the handbrake. »

12. BREEN / MARTIN

« I just need a bit more power! I tried to manage my tyres. Then on way down, like the Jamaican bobsleigh team, we just rolled with it and did our best. »
