### 10. MEEKE / NAGLE

« Tricky. I tried my best and I'm still trying to be very careful. With big gaps in front and behind I'm just trying to managing it. But even that's not easy. »

### 11. BREEN / MARTIN

« A big contrast between conditions here and the slush at the start. I was aquaplaning on top of the slush. Hats off to my ice note crew. »
