### **Tyre choices:**

Ogier / Evans / Bouffier / Neuville: 4 Super Soft & 2 Soft

Mikkelsen / Latvala / Tanak / Meeke / Breen: 4 Soft & 2 Super Soft

Sordo: 3 Soft & 2 Super Soft

Lappi: 3 Super Soft & 3 Soft

### **1. OGIER / INGRASSIA**

« It was an ok stage for us. Lots of grip changes and some very greasy sections, but all ok. »

### **2. EVANS / BARRITT**

« Generally okay but not perfect. Slippery, difficult but okay. »

### **4. MIKKELSEN / JAEGER SYNNEVAAG**

« I went straight on at a junction and had to turn around. Not so good. A very dirty road. Tricky. »

### **5. NEUVILLE / GILSOUL**

Slow puncture on the right rear tyre. «10km before the end we got a slow puncture alarm. We continued, which was the right decision. After what happened yesterday it doesn't really matter so much. »

### **6. SORDO / DEL BARRIO**

« Not so bad but I struggled a little in the middle in the damp. I didn't push too hard. We take three soft tyres and two super softs, I don't know if it's a good choice. »

### **7. LATVALA / ANTTILA**

« Everything is okay, but it's difficult to say how the stage was. In some places quite slippy and I didn't get the best feeling in the car - too much understeer. »

### **8. TANAK / JARVEOJA**

« The middle section was damp as expected. Very tough but okay, we are here. »

### **9. LAPPI / FERM**

« Quite steady. Lots of dirt in the road. Many surprises and you need to react immediately. »

### **10. MEEKE / NAGLE**

« Okay, not bad, but a lot more greasy and damp than I expected. A lot of mud on the road. Whether we got the [4S&2SS] tyre choice right I don't know. »

### **11. BREEN / MARTIN**

Oil covering his car's front-right wheel. « No brakes. I hit a stone in the road and something is broken. I had literally nothing for about 10km. »

### 32. KOPECKY / DRESLER

« Better than last night, at least we can see the road today. My soft tyre choice was good I think. »

### 33. SUNINEN / MARKKULA

« Okay, but we can go faster. »

### 34. ABBRING / TSJOEN

« Quite nice to have a stage to get the rhythm back, but we lost the brakes again at the end, so something we have to look at. »

### 36. SCIESSERE / ZANELLA

« We are not at all in the pace. »

### 23. CIAMIN / DE LA HAYE

« The engine is only on three cylinders since the start of SS3. »

### 72. BURRI / LEVRATTI

« We went straight off and lost a lot of time. »

### 74. GIORDANO / LANDAIS

« Beautiful stage. But we lost over ten minutes yesterday and won't be able to get them back, we are here for the fun. »

« The road is becoming very muddy especially in the apex. »

### 78. CARREET / MATHIAS

Stopped in the stage

### 82. BOLAND / MORRISSEY

### 85. RAGEAU / RAGEAU

« Not easy to get the good trajectories as the WRC brought back mud and gravel in the apex. »
