

## SS 6

**Date :** 26.01.2018  
**Day :** 2  
**Special Stage :** VITROLLES - OZE  
**Weather :** Light rain, 9°C  
**Road conditions :** Road partly slippery

**Flash N° :** 26  
**Distance :** 26,72 km

### 1. OGIER / INGRASSIA

« A little concerned about managing my tyres this weekend. » 4 Michelin Pilot Sport Super Soft + 2 Soft

### 2. EVANS / BARRITT

« The stage was full damp for us everywhere, dry as we expected. Not ideal for us. » 4 Michelin Pilot Sport Super Soft + 2 Soft

### 3. BOUFFIER / DEGOUT

« Very difficult conditions, but more fun. Things are tricky and we have to be more concentrated. » 4 Michelin Pilot Sport Super Soft + 2 Soft

### 5. NEUVILLE / GILSOUL

Two-tenths slower than Ogier. 4 Michelin Pilot Sport Super Soft + 2 Soft

### 6. SORDO / DEL BARRIO

« Now it's really raining and in this mix of tyres I had to take it a little bit careful.» 4 Michelin Pilot Sport Super Soft + 2 Soft

### 7. LATVALA / ANTTILA

« Feeling better than this morning. I'm a bit happier with the car. In some places the rain has made it very slippery, in others it is still dry. It's 50/50. You need a bit of margin. » 4 Michelin Pilot Sport Super Soft + 1 Soft

### 8. TANAK / JARVEOJA

The Estonian quickest, 6.5sec up on Ogier. 5 Michelin Pilot Sport Super Soft

### 9. LAPPI / FERM

« We got a taste of this one earlier and my gravel crew did a good job, so it wasn't so bad. For me, it felt okay » 5 Michelin Pilot Sport Super Soft

### 10. MEEKE / NAGLE

« There's mud on the road but not enough rain to wash it away » 6 Michelin Pilot Sport Super Soft

### 11. BREEN / MARTIN

« The car feels better but it's incredibly tricky. I didn't get a clean run earlier here, but this was not so bad. » 6 Michelin Pilot Sport Super Soft

## ES 6

**Date :** 26.01.2018  
**Day :** 2  
**Special Stage :** VITROLLES – OZE 2  
**Weather :** Light rain - 9°C  
**Road Conditions :** Slippery road all along the stage

**Flash N° :** 27  
**Distance :** 26,72 km

### 31. CAMILLI / VEILLAS

Spin. Stopped at kilometer 3.5. Retired for this day.

### 111. OBERTI / ESCARTEFIGUE

Still at Service so couldn't join the stage.

### 87. POIZOT / GRAND

Left road with a hit at kilometer 4.5.

### 74. GIORDANO / LANDAIS

"We had fun, the crowd was thrilled with four snow tyres under the rain."

### 72. BURRI / LEVRATTI

"Our tyres weren't adapted to this amount of rain".

### 35. DE MEVIUS / LOUKA

"A lot of rain, really too much rain."

### 33. SUNINEN / MARKKULA

"Left road, the car was stuck in a ditch, no one was harmed."

### 25. NUCITA / VOZZO

"Flat left rear tyre, plus a bad noise with the engine"

### 23 CIAMIN / DE LA HAYE

"Very slippery, but we were able to catch up the number 25 who was ahead of us"

### 63. FRANCESCHI / COURBON

"Very hard to find grip with our tyres".

### 18. VILLA / MICHl

"Flat tyre at the start of the stage, we decided to drive like that which made us lose 4 minutes"

### 95. LATIL / NESTA

"Driving was very good, we won 20 seconds against this morning".

### 84. VUISTINER / KUMMER

"I like these road conditions, it's terrifying but I enjoy it"

### 85. RAGEAU / RAGEAU

"The car often stall. It's tricky because we constantly have to keep the engine reeving"

---

### 91. CAPANNA / DOUSSAN

"We really need to be good with these conditions to stay on the road"

### 114. STUDER / STUDER

"I'm not used to practice the road with these conditions, I even have trouble to see the road".

### 119. BERARD / BERNABO

"It is becoming an earth rally"

### 103. JAUSSAUD / JAUSSAUD

"So much rocks on the road that sometimes you can't avoid and we still afraid of getting a flat tyre".

### 93. BAFFOUN / YONNET

"Left road, the car was stuck in a ditch, no one was harmed. By catching up my competitor, I went straight off. It makes publicity for my sponsor"

### 113. FORTUNATO / NETO

"Engine problem which won't reeve above 6000 rpm."

### 116. MARTINI / PENGIAL

"We are being on the defensive, we see traps everywhere so we aren't moving forward".
