1. OGIER / INGRASSIA

« One of the worst stages in my career. So much slush, it was super tricky, I was watching the lines in the road and they were going everywhere - I passed Sordo in a ditch. » 5 Michelin Pilot Alpin A4 studded

2. EVANS / BARRITT

« I lost the rear in the braking. It was safer to let it spin. You never know in these conditions - there were lines everywhere. I tried to stay in the cleanest one possible and be smart » 6 Michelin Pilot Alpin A4 studded

3. BOUFFIER / DEGOUT

« No spin, I drive very safe, I did my best. » 6 Michelin Pilot Alpin A4 studded

4. MIKKELSEN / JAEGER SYNNEVAAG

« This is proper Monte-Carlo. Really difficult conditions. We spun three times in a straight line! » 6 Michelin Pilot Alpin A4 studded

5. NEUVILLE / GILSOUL

« Horrible conditions. Some clean lines towards the end and getting cleaner but it's so easy to get out of the line. I tried to be steady and efficient but it will get faster for those behind. » 6 Michelin Pilot Alpin A4 studded

6. SORDO / DEL BARRIO

Stopped in the stage. Went off road. 5 Michelin Pilot Alpin A4 studded

7. LATVALA / ANTTILA

« I'm relieved to be here. Snow can be nice, but this was not nice at all. Melting, soft snow, slush. Go wide and you don't know where you're going to end up » 5 Michelin Pilot Alpin A4 studded

8. TANAK / JARVEOJA

« No chance to push at all. A few places you try you are out immediately. I didn't enjoy the spins and things - definitely not enjoyable. » 5 Michelin Pilot Alpin A4 studded

9. LAPPI / FERM

« I think you can really win a lot of time on this stage if you want to try, but for me it's not about that, I really didn't want to crash, it's so easy to. I guess it was quite slow but it's okay. » 5 Michelin Pilot Alpin A4 studded

10. MEEKE / NAGLE

« I have no idea how this time will compare. In these conditions it's the most challenging. I had one spin, which cost about 12sec » 6 Michelin Pilot Alpin A4 studded

11. BREEN / MARTIN

« Holy God, that was pretty incredible. A track the width of a tyre in the road and the moment you get off it, it's over. I'm a bit of a snowplow this morning. » 6 Michelin Pilot Alpin A4 studded
